Fine Arts Texas Essential Knowledge and Skills

Background

The State Board of Education (SBOE) has legislative authority to adopt the Texas Essential Knowledge and Skills (TEKS) for each subject of the required curriculum. SBOE members nominated educators, parents, business and industry representatives, and employers to serve on the review committees. This page provides information regarding the review and revision of the fine arts TEKS.

Proposals approved for first reading and filing authorization in January 2013

The proposed revisions to the fine arts TEKS are now available for public comment. Following the official public comment period, the SBOE will take action to approve these changes in April 2013. Please visit <http://www.tea.state.tx.us/index4.aspx?id=2386> to view the proposed revisions and submit public comments.
